VIRGINIA MUSEUM OF CONTEMPORARY ART

The Virginia Museum of Contemporary Art (MOCA)

is a nonprofit institution which exists to foster awareness, exploration and understanding of the significant art of our time. Through excellence and diversity in our exhibitions and educational programs, MOCA stimulates individual thinking and dialogue throughout the community.

This architectural-award-winning facility consists of three primary rental spaces: an atrium, a 268-seat auditorium, and the Rodriguez Pavilion, plus galleries featuring a variety of contemporary art. This combination of contemporary style and fine art creates a dramatic backdrop for any special event, including parties, weddings, conferences, and meetings. MOCA can also host a variety of performing arts events.

MOCA is conveniently located in the heart of the Virginia Beach resort district, just six blocks from the oceanfront on Parks Avenue and I-264. The Museum is also directly across from the Virginia Beach Convention Center and the Visitor's Center. Two parking areas provide free, on-site parking. All areas are handicap accessible.

Whether you're hosting an intimate affair for close friends or a business function for several hundred guests, MOCA offers a high-class setting, first-rate service, and competitive rates.
